

## Terms and conditions of entry

### Terms and Conditions of Entry for all SARRC Events and Activities

#### **Article 1: Definitions**

- 1.1.1 For the purpose of these General Terms & Conditions, the following definitions are used
- 1.1.2 SARRC: South Australian Road Runners
- 1.1.3 Club/Event: Any SARRC Event or Activity.
- 1.1.4 Participant: a natural person who has registered for participation in an Event in a manner permitted by the Organiser.
- 1.1.5 Agreement: the agreement relating to the participation of the Participant in the Event.
- 1.1.6 Organiser: the legal entity (in this matter the SARRC) with which a Participant has entered into an Agreement.
- 1.1.7 Participant: SARRC Member or Entrant
- 1.1.8 SARRC Member: Financial and current members of the South Australian Road Runners Club
- 1.1.9 Entrant: Un- financial participant of South Australian Road Runners Club Event

1.2. These General Terms & Conditions apply to all Agreements.

#### **Article 2: Participation**

2.1. A participant must have reached the minimum age specified by the Organiser for a specific Event on the day of the Event in question (for the Marathon this is 18, for the Half Marathon 16, for the 10km 12).

2.2. A Participant can only participate in the Event if they have completed an appropriate registration fully and truthfully. If the Participant has registered they agreed to the General Terms & Conditions.

2.3. It is expected that all entrants in SARRC events will participate in a way that does not give them any unfair advantage or that is not in the spirit of sportsmanship, equality or fair play including but not limited to:

- 1) Competitors must exercise sound, mature judgement, carry out all reasonable instructions from officials, obey the laws of the land and observe traffic regulations.
- 2) All competitors, officials, volunteers and spectators must be treated with respect and courtesy.
- 3) No individual support by vehicle, bicycle or on foot in order to complete the course distance is permitted except as provided by the organisers.
- 4) Competitors must complete events in the capacity that they registered to compete. Competitors registered as walkers must walk the full event.
- 5) Competitors must walk or run only on the defined event course. If the defined course is unintentionally not followed, the competitor may have received an advantage over other competitors, and this should be raised with the race/event director for assessment and/or an official time should not be recorded by the competitor
- 6) Distance alone should not be considered as the only indicator of equality and fairness where the defined course is not followed. Course gradient, type of ground surface, course complexity and environmental factors may all influence running conditions and therefore the "equality" of the alternate course taken.
- 7) Intentional "course cutting" in official events will be grounds for disqualification.
- 8) Once the sweep has reached the cut off time for the event the entrant will be asked to leave the course. If the entrant wants to finish they do so at their own risk. There will be no guarantee of any marshals, drink stations, finishers arch, timing or medals.

9) While the Good Sports Policy specifically applies to officially timed events the same principle and standards of sportsmanship, equality or fair play should apply and be adhered to for all "events" conducted by the club. Please see the full Good Sports Policy (add Link)

Where another competitor believes that this policy may have been breached, this should be raised with the Race/event director who will review it and make a decision on any action to be taken. Any complaints about other competitors or race director actions in relation to this policy can be raised using the complaints guidelines within the SARRC Member Protection Policy.

2.5. For reasons of force majeure, the Organiser can decide to cancel the Event at short notice. If the Event is cancelled because of force majeure the Organiser will first endeavour to reschedule that event to the closest possible future date. In this case, no entry fees and additional orders will be refunded to the Participant.

2.6. The Organiser is not liable for any costs incurred by the Participant if the Event has to be cancelled because of force majeure.

2.7. The Participant can, if they wish, submit a case to the SARRC Office as to why they should receive their entry fee refunded or held as a credit to use for future purchases, such as event entry, purchase of club merchandise, and membership renewal, to which the SARRC Office will then submit it for review.

2.8. Any lost property handed to SARRC after an event will be retained by the SARRC office for 14 days. Collection can be made at the SARRC office. If the items have not been claimed after this time, they will be donated to charity.
