

Terms and Conditions of Entry for all SARRC Events and Activities

1 Definitions

For the purpose of these General Terms & Conditions, the following definitions are used:

- 1.1 **SARRC:** South Australian Road Runners Club
- 1.1 **Event:** Any SARRC Event or Activity.
- 1.2 **Participant:** a natural person (Entrant) who has registered for participation in an Event in a manner permitted by the Organiser. The Entrant may, or may not be a SARRC Member.
- 1.3 **Agreement:** the agreement relating to the participation of the Participant in the Event.
- 1.4 **Organiser:** the legal entity (in this matter the SARRC) with which a Participant has entered into an Agreement.
- 1.5 **SARRC Member:** Current Financial Member of the South Australian Road Runners Club.

These General Terms & Conditions apply to all Agreements.

2 Participation

- 2.1 A participant must have reached the minimum age specified by the Organiser in Table 1. below for a specific Event on the day of the Event in question

Table 1. Minimum age in years for Participants on day of SARRC Event

Event distance	Minimum Age in years
5 km	5
10 km	12
Half Marathon (21.1 km)	15
30km	18
Marathon (42.2 km)	18
Short Trail (less than 20km)	12
Yurrebilla Trail 28km	15
Yurrebilla Ultra Trail 56km	18

- 2.2 A Participant can only participate in the Event if they have completed an appropriate registration fully and truthfully. By registering the Participant agrees to the General Terms & Conditions.
- 2.3 It is expected that all Participants in SARRC events will participate in a way that does not give them any unfair advantage or that is not in the spirit of sportsmanship, equality or fair play including but not limited to:
 - 2.3.1 Participants must exercise sound, mature judgement, carry out all reasonable instructions from officials, obey the laws of the land and observe traffic regulations.
 - 2.3.2 All Participants, officials, volunteers and spectators must be treated with respect and courtesy.

Terms and Conditions of Entry for all SARRC Events and Activities

- 2.3.3 No individual support for Participants by vehicle, bicycle or on foot in order to complete the course distance is permitted except as provided by the organisers.
- 2.3.4 Participants must complete events in the capacity that they registered to compete. Participants registered as walkers must walk the full event.
- 2.3.5 Participants must walk or run only on the defined event course. If the defined course is unintentionally not followed, the Participant may have received an advantage over other Participants, and this should be raised with the race/event director for assessment and/or an official time should not be recorded by the Participant.
- 2.3.6 Distance alone should not be considered as the only indicator of equality and fairness where the defined course is not followed. Course gradient, type of ground surface, course complexity and environmental factors may all influence running conditions and therefore the "equality" of the alternate course taken.
- 2.3.7 Intentional "course cutting" in official events will be grounds for disqualification.
- 2.3.8 Once the sweep has reached the cut off time for the event the Participant will be asked to leave the course. If the Participant refuses this direction, they continue at their own risk. There will be no guarantee of any marshals, drink stations, finishers arch, timing or medals.
- 2.3.9 While the Good Sports Policy specifically applies to officially timed events the same principle and standards of sportsmanship, equality or fair play should apply and be adhered to for all "events" conducted by the club. Please see the SARRC's full [Good Sports Policy](#).
- 2.4 Event results are based on Gun Time as per the [Book of Rules](#) of the World Athletics Federations as it relates to Road Events. SARRC is run under these rules because its results can be used for selection into International and Olympic events.
- 2.5 For reasons of force majeure, the Organiser can decide to cancel the Event at short notice. If the Event is cancelled because of force majeure the Organiser will first endeavour to reschedule that event to the closest possible future date. In this case, no entry fees and additional orders will be refunded to the Participant.
- 2.6 The Organiser is not liable for any costs incurred by the Participant if the Event has to be cancelled because of force majeure.
- 2.7 Where a Participant believes that this policy may have been breached by another participant, this should be raised with the Race/Event Director who will review it and decide on any action to be taken. Any complaints about another participant's or Race/Event Director actions in relation to this policy can be raised by emailing the SARRC Board at SARRCBoard@sarrc.asn.au, whereby the complaint will be reviewed at the next available board meeting. The complainant will be notified of any action in relation to their complaint by email, no later than 28 days following completion of the review. Any action taken by the SARRC Board will be at its own discretion and will be considered final..

- 4.5 The Participant indemnifies the Organiser against liability for damages suffered by third parties as a result of an act or omission relating to the Event that is attributable to a Participant. The Participant must have sufficient insurance to cover the risk of liability for such damages.
- 4.6 The Participant indemnifies the Organiser against liability for damages the Participant could suffer as a result of his participation in the Event unless such damage is a direct result of deliberate intent or gross negligence attributable to the Organiser.

5 Portrait rights
